## EDUCATION

**Brigham Young University - Idaho**  
B.S. in Software Engineering

January 2022 - July 2024

**Utah Valley University**  
Associates of Science

January 2019 – Dec 2021

## WORK EXPERIENCE

**Vivint SmartHome**

Feb 2023 – Present

*QA Specialist*

- Execute quality assurance protocols to enhance the reliability and precision of software applications, upholding company standards.
- Report issues encountered during testing directly to development teams for further investigation and resolution.
- Provide regular updates to team leadership on quality metrics by communicating consistency problems or production deficiencies.

**Brigham Young University - Idaho**

Jan 2023 – Apr 2017

*Front-End Intern*

- Collaborated in the development of a student-led communication application using Android Studio, while practicing design principles and time management.
- Worked closely with the back-end team to ensure the completion of all necessary tasks.
- Actively participated in weekly SCRUM meetings to maintain alignment with project objectives and prioritize tasks effectively.
